Many historians say that the Shroud of Turin is the most well known Christian artifact. It is a length of linen cloth that bears the negative image of a man. Pope Francis in 2013 referred to it as an “icon of a man scourged and crucified”. The Vancouver Shroud Society is planning to present over 20 museum quality information boards exploring many aspects of the Shroud of Turin. A full size replica of the Shroud will be displayed in Holy Rosary Cathedral and the museum boards will be in Rosary Hall. Please plan to visit this exhibit in early April - it has touched the hearts of many people. More information to come.

2022 Offering Envelope Boxes
2022 Offering Envelope Boxes are available for pick up from the entrance of the Cathedral. Please make sure that the box you are taking home has your name on it and not just your old number. Some individuals will receive a new envelope box number this year. It’s very important to confirm the name on the box and not just the old envelope box number to avoid unnecessary confusion. Thank you for your cooperation and support.

World Day of the Sick: February 11
As the Church marks the World Day of the Sick on February 11, the Catholic Health Association of BC encourages everyone to pray for those who suffer from illness and for their caregivers. The theme of this year's 30th World Day of the Sick, “Be merciful, even as your Father is merciful” (Lk 6, 36), makes us first turn our gaze towards God, who is “rich in mercy” (Eph 2, 4). Archbishop Miller will celebrate a live streamed Mass for World Day of the Sick on Friday, February 11 at noon. Pray with us on this day. For the live stream link or to learn more about this day, visit www.chabc.bc.ca/world-day-of-the-sick.

Pro-Life Mass and Prayer Vigil
Monthly Mass and vigil to pray for respect for all human life from its beginning to its natural end. Next month, join us in praying for the victims of abortion on Saturday, March 5 at 9 AM at Our Lady of Fatima Parish, 315 Walker Street, Coquitlam.

**FEbruary 11 World Day of the Sick**

On the Church calendar, February 11 is also the World Day of the Sick. This day highlights the healing ministry of the Church. It reminds us that service to people who are sick and suffering cannot be neglected.

The Canadian Bishops write that this day of prayer for the sick “recognizes the great efforts of doctors, nurses, healthcare institutions and pastoral care givers to restore health to those afflicted with illness and disease.”

Through the eyes of faith difficulties can in fact be a great good. Sickness, pain, failure, poverty, scandal, accidents – each of these problems can lead us closer to God. With the help of grace, we can find in each of these problems true humility since they make us so dependent on God. Illness can help us to be much less attached to worldly things. These problems can lead us to trust more in God.

Yet God wants us to do our part as well in handling problems. Saint Augustine said: “do everything possible and ask God for what is impossible.”

Let us pray then to accept all things with faith, hope and love and to work with God for his Glory and the good of all people.

**PROJECT ADVANCE 2021 REVIEW**

Dear friends in Christ,

I am very grateful for the generous response of so many of you to our 2021 Project Advance appeal. Despite the challenges of the pandemic, it was heartwarming that you placed the needs of the Archdiocese and the Cathedral high on your list of priorities for charitable giving.

Let me give you a quick overview of how we did. Our portion of last year’s appeal was $58,500 to help the Archdiocese meet the needs of new secondary school construction as well as outreach to the homeless, families in difficulties and ministries.

Our own parish goal was to raise an additional $58,000 to meet a variety of needs - computer support network upgrades as well as maintenance of our 121-year-old Cathedral structure.

By the end of June, we managed to reach our diocesan goal. This was good news because it meant that remaining funds (minus admin expenses charged by the PA office) would be rebated to us. Most of the network upgrading has been taken care of. The maintenance – plumbing, lighting and roof repair - are at various stages of restoration. Your kind support of Project Advance will make it possible for us to bring these projects to completion.

Thank you for your generous response to our appeal.  
- Rev. Stanley Galvon
