HOLY TRINITY SUNDAY

The Catholic Encyclopaedia tells us that this Solemnity of Trinity Sunday comes from the 14th century. Pope John XXII was inspired to establish this celebration of our loving union with each of the three Divine Persons... Father, Son and Holy Spirit. This is the greatest mystery in the universe: three distinct persons yet one divine nature.

The mystery is not meant to intimidate us but for us to enter into through Jesus, who is a divine person with a truly human nature and a truly divine nature. We share in the life and the love of the Blessed Trinity. We are invited to express our personal communion with the Trinity in our relations with our neighbour through sincere love, which is the foundation of peace, harmony and right relationship with all people.

There is much to ponder in this mystery of the Blessed Trinity. That’s why we begin and end many prayers by invoking the heavenly Father, through Jesus Christ, in unity of the Holy Spirit. One outcome of our devotion to the Blessed Trinity is a deeper trust that each of us is personally involved with their life and their love. Each of us has some unique part of the work of the Blessed Trinity. The Father, Son and Holy Spirit trust each of us with this work and support us in it. This participation gives each of us a sense of identity, belonging and direction in life. St. Cardinal John Newman put it this way:

“God has created me to do Him some definite good. I have committed some work to me which He has not committed to another. I have my mission. I may never know it in this life, but I shall be told when I arrive there. I am a link in a chain, a bond of connection between persons. He has not created me for naught. I shall do good; I shall do His work.”
