FEBRUARY 11 WORLD DAY OF THE SICK

On the Church calendar, February 11 is the World Day of the Sick. This day highlights the healing ministry of the Church. It reminds us that service to people who are sick and suffering cannot be neglected.

The Canadian Bishops write that this day of prayer for the sick *"recognizes the great efforts of doctors, nurses, healthcare institutions and pastoral care givers to restore health to those afflicted with illness and disease."*

Through the eyes of faith difficulties can in fact be a great good. Sickness, pain, failure, poverty, scandal, accidents – each of these problems can lead us closer to God. With the help of grace, we can find in each of these problems true humility since they make us so dependent on God. Illness can help us to be much less attached to worldly things. These problems can lead us to trust more in God.

Yet God wants us to do our part as well in handling problems. Saint Augustine said: *"do everything possible and ask God for what is impossible."*

Let us pray then to accept all things with faith, hope and love and to work with God for his Glory and the good of all people.

ANOINTING OF THE SICK

The Sacrament of the Anointing of the Sick is a sacrament of healing, which helps us to heal and purify. Through it, the Lord is asked for the health of the body, soul and spirit of the Christian who is suffering from a serious illness or advanced old age. Likewise, by receiving this sacrament a well-disposed person and in a state of grace, if it is God's will, can even bring about the healing the sick person.

In the Catechism of the Catholic Church we learn that "The first grace of this sacrament is one of strengthening, peace and courage to overcome the difficulties that go with the condition of serious illness or the frailty of old age." [1520] This assistance of the Lord, is intended to lead the sick person to the healing of the soul, but also to the healing of the body, if such is God's will"

This sacrament can only be administered by the bishop or priest, who will anoint the forehead and palms of the hands with consecrated oil, pronouncing in turn the words: "Through this holy anointing may the Lord in his love and mercy help you with the grace of the Holy Spirit. May the Lord who frees you from sin save you and raise you up. Amen." (CIC, can. 847, §1).

However, it should not be thought that this sacrament is reserved only for those who are close to death, but it can also be received by those who are conscious and who, of their own free will, deem it necessary to receive it in case of grave illness. Thus, if a member of the faithful is in danger of death, is suffering from a serious illness, is in advanced age or will receive a delicate operation, he or she may request that the sacrament be administered to him or her.

There is no limit to the number of times this sacrament can be received, but it can be received as many times as necessary, provided that the person is in danger of death, is in failing health, or is elderly.

On Wednesday, February 11, the Archbishop will celebrate Mass for World Day of the Sick at Our Lady of Sorrows Parish, Vancouver (555 Slocan Street).
